Defect Sheet

C1219

At entrance to Pontrilas Merchants.

The ditch and headwall to culverts on the near side in the direction of Rowlestone needs clearing out and the culverts flushed to outfall.

Action - Hereford Highways/BBLP to visit.

Or local team to cost up for funding request to BBLP

N.B. The culvert flushing work would have to be done by BBLP.

At junction with U74421

The ditch and headwall needs clearing out.

On the opposite side of the road to the U74421 there is a large hole which may have been a road drain at some time.

Action - Hereford Highways/BBLP to visit.

Near Rowlestone House Farm BT pole 3

Water is seeping through the road surface causing erosion to tarmac edge. We cannot locate mains water supply pipe in the area.

Action - BBLP to visit.
