Details of the job specification are provided below:

JOB SPECIFICATION

Ewyas Harold Group Parish Council is inviting applications for a part-time Lengthsman until 31 March 2023. It is expected that the Lengthsman will be required to work for 2 days per month in the parish.

Applicants are invited to provide a quote for all or some of the following activities:

Routine Drainage Work

- Clear leaves and other debris from gully grid tops and drainage grips
- Clear vegetation from the entrances and exits of highway culverts.
- Ensure legibility and visibility of traffic signs including straightening, cleaning and removing vegetation.
- Repaint traditional finger and mileposts.

Major Drainage Work¹

Maintaining the drainage systems throughout the parish by monitoring all gullies, culverts and ditches and undertake all remedial action required by the Parish Council.

¹ Only contractors with the requisite licences/qualifications will be permitted to undertake major drainage work

General maintenance

- Verge cutting
- Cut back overgrown hedges encroaching on footways. Strim overgrowth along footways in urban areas.
- Paint and repair fences
- Clear foliage blocking the visibility of road traffic signs.
- Clear all minor storm debris discharged onto the highway and keep tidy all specified roads.
- Nominated task specifically relating to a minor highway maintenance item - as and when agreed by the Parish Council.

The Parish Council may request the Lengthsman to carry out additional “nominated” tasks. Each nominated task will be specified, and the price agreed in writing between the Administrator or Lengthsman Co-ordinator and the Lengthsman and approved by the Parish Council before any work is carried out.

Allowance should be made for use of own tools, machines and materials.

Please ensure your tender accommodates all detail contained within the schedule.

The contract will be awarded for the period ending 31 March 2023 subject to satisfactory references.

The Contractor will wholly be responsible for the following:

- Employed staff for the purposes of the delivering the contract
- Risk assessments appropriate to delivery of the contract
- All equipment used in delivery of the contract
- All insurances including public liability, evidence to be provided.
